Centenary Freespan

Centenary Freespan is sure to add value to your existing home, available with a high gloss finish, in either Hi-Rib or Centenary Deck roofing.

The Fielders Centenary Freespan carport or verandah is an exciting product which has been added to the existing range. Available as a pitched verandah or a carport the Freespan design aims to suit every application. Like other products in the Centenary range, the freespan uses both 108mm and 158mm portals, enabling greater flexibility.

- No internal roof purlins.
- Wide range of colours & roof pitches.
- Choice of Centenary Deck or Hi-Rib roofing.
- Available as a pitched verandah or carport.
- Stylish appearance adds value to your home.
- Complements existing house design.
- Large spans to accommodate your needs.
- Smooth aesthetically appealing with underside in a gloss finish.
- No unsightly exposed beams.
